Classic trucker style meets modern sustainability in the Genuine Quality Netplus Trucker Hat. Designed with a medium-profile structured 5-panel silhouette and curved bill, it brings timeless appeal to your everyday look. The polyester-cotton blend and breathable mesh back promise comfort, while the moisture-wicking properties keep you fresh when the heat is on. Crafted with an eco-friendly NetPlus® visor made from recycled fishing nets, this hat merges performance and purpose seamlessly. Finally, a merrowed-edge embroidered twill patch featuring the Brixton Mfg logo adds a touch of heritage design.
