SCIPPIS KEPS - FIELD CAP BROWN

SCHIPPIES

CIPPIS has created a stylish military-look cap made from DriTec fabric – the Field Cap. This modern blended fabric feels velvety soft, almost like suede. It's incredibly lightweight to wear and undeniably chic. The DriTec cap also features a clever Velcro closure, allowing it to be adjusted seamlessly to fit any standard head size. The starting size is 59 cm in circumference, which can easily be increased or decreased by several centimeters. Additionally, the cap is lined with a soft inner fabric made of 100% cotton. The Field Cap pairs perfectly with a marine look or the iconic blue jeans!
