SINCE 1865

STETSON GUBBKEPS - 6-PANEL CAP CO/PES BROWN

STETSON - SINCE 1865

With a high proportion of cotton and a polyurethane coating, the fabric has sturdy outdoor qualities, durability and water resistance. The on-trend distressed look and vintage styling result from rinsing off the protective coating after application. The elegant personality of this classic flat cap, blocked on a wooden frame, results from its slim appearance. Round stitching creates a streamlined effect, underscoring the hat's refined yet dynamic look. And the six-panel shape, designed in Germany, is also extremely comfortable. This is mainly due to its unique design, which does not pinch the forehead. The crown is attached to the visor with three closures that are lined with PET, making sure the hat retains its shape no matter the weather.
