

STETSON GUBBKEPS - 6-PANEL CAP COTTON TWILL SVART

STETSON - SINCE 1865

Textile protector.

This lined flat cap from Stetson is made of 100% cotton and provides the head with reliable protection against sunshine. Thanks to its puristic design, this plain-coloured headgear with peak and factor 40+ UV protection is versatile to combine with outfits. It looks great with stylish, summery, lightweight casual outfits such as linen trousers and a patterned cotton shirt.

With subtle label embroidery, hand washing recommended.
