STETSON GUBBKEPS - 8-PANEL HATTERAS CO/PS

STETSON - SINCE 1865

With a high proportion of cotton and a polyurethane coating, the fabric has sturdy outdoor qualities, durability and water resistance. The on-trend distressed look and vintage styling result from rinsing off the protective coating after application. The "Hatteras" hat, which is traditionally blocked on a wooden frame, is an accessory that's always stylish and suits many head shapes. A medium-sized round brim, band and baseball visor establish the timeless yet modern and cheerful look of this German-designed hat. With its special pressure-free band, this model offers the best wearing comfort imaginable. The crown is attached to the visor with three closures. The visor features an impressive rigid PET lining so that you can wear it in any weather.
