STETSON HATT - PORK PIE PIG SKIN BLACK

STETSON - SINCE 1865

Hats and caps for outdoor purposes should be robust, rustic and durable. Pigskin is perfect for this; when processed into nubuck, it acquires grip and structure. A two-tone vintage spray finish reflects this quality, providing an appealing “distressed” look. Seen from above, this smart pork pie hat looks just like the American pastry of the same name. The concave indentation that runs around the entire crown and the narrow, upturned brim give this stylish, rounded hat its classically elegant charm. Contains non-textile parts of animal origin.
