

STETSON HATT - PORK PIE PIG SKIN BLACK

STETSON - SINCE 1865

Decisive.

Should it be rustic or elegant? This pork pie hat doesn't need to ask such a question because it perfectly combines both. Pigskin leather, together with the characteristic design and leather trim with brand emblem give the hat its impressive look, while a smooth lining guarantees excellent wearing comfort. It looks just as good on a walk as it does when worn with a sophisticated outfit.

With a cotton lining.
