STETSON HATT - UNI DIAMOND RAFFIA

STETSON - SINCE 1865

The beautiful Diamond hat from Stetson is waiting with raffia straw to protect the head with summery lightness. With an integrated UV filter, tested to European standards, wearers can stroll through the sunshine without a care in the world and enjoy their time by the sea. The plain-coloured look features natural shades, while the leather trim band also exudes a natural charisma, skilfully accentuated by the upturned brim and the typical crown.

UV protection included.
