STETSON HATT - WESTERN TOYO OLIV

STETSON - SINCE 1865

This high-quality paper mesh is made of 100% sturdy viscose. The fine premium-quality border is machine-made and then classically dyed. Thanks to its visually appealing structure and attractive coloring, the lightweight, breathable material is ideal for making fashionable summer headwear such as hats and visors with sun protection. The classic cattleman crown lends the western hat a stylish, dramatic touch. But it’s not just the characteristic center dent and deep creases that give the hat its dynamic look. The wide brim, which slopes up along the sides dramatically, makes this design a lively, cheerful attention-grabber.
