STETSON KEPS - STETSON SNOWBOARD

STETSON - SINCE 1865

Enjoy the winter carefree like a Yeti.

The Stetson baseball cap is made from 100% organic cotton, which supports the concept of sustainability. It is also breathable and kind to the skin, making it comfortable to wear for long periods of time. The fabric cap stands out visually due to the fact that it goes its own way and, despite the typical shape of a trucker cap, manages without a mesh insert. The yeti printed on the forehead, which easily overcomes any obstacle, also spreads good humour.

With peak as welcome glare protection.
