STETSON KEPS - TRUCKER CAP OILY GOAT SUEDE

STETSON - SINCE 1865

Robust cult status.

High-quality goatskin with a plain heathered, slightly roughened surface gives the baseball cap from the Stetson brand a pleasant feel and robustness at the same time, as is popular with aficionados and truckers alike. In a six-panel finish, with button on the crown, the elaborate frontal brand embroidery as well as the inscription "American Heritage"; the leather cap exudes self-confident cult status. One size fits all, metal buckle at the back of the head for size adjustment.
