STETSON KEPS - TRUCKER CAP SELVAGE DENIM GARAGE BLUE

STETSON - SINCE 1865

This is a cap with a little more thought behind it. Made from Italian selvedge denim woven on old Japanese looms, just like in the past. The fabric feels sturdy but comfortable against the head and only gains more character the more it is used. The contrasting selvedge edge is a stylish detail that also gives extra stability to the fabric. The fit is easily adjusted with the metal buckle at the back, so it stays where it should all day. Robust, reliable and made for everyday use rather than shelf warmth.
