STETSON KEPS -TRUCKER CAP HARRIS TWEED

STETSON - SINCE 1865

ttractive design full of contrasts.

The cap by Stetson inspires with a multi-faceted, youthful look – ideal for casual leisure outfits. A special feature of the design is the use of different materials. While the front is made of Harris Tweed, the back is made of mesh. Another visual highlight is the large multicoloured logo patch, which is prominently placed on the front of the trucker cap.

Tweed made from 100% new wool.
