STETSON KEPS -TRUCKER EAGLE HEAD

STETSON - SINCE 1865

For hobby pilots and other high-flyers.

Above the clouds, freedom is supposed to be even more boundless than on European motorways. After all, with the airy trucker cap from Stetson you can at least dream of a spontaneous flight to unimagined heights. Protects from the sun while the mesh part provides good ventilation.

Size-adjustable at the back.

Adjustable size
Material: 100% polyester
Length of visor: 7 cm
Height of crown: approx. 9 cm

Storlek 54cm är den minsta storleken.
